

The map displays the 'Gemarkung Gronau Flur 3' area, which is a cadastral map showing land parcels and their boundaries. The map is overlaid with a grid and includes a scale bar (0 to 100 meters) and a north arrow. The map is titled 'Gemarkung Gronau Flur 3' and is part of the 'Amt für Liegenschaftskataster und Geoinformation'.

Key features on the map include:

- Kradepohlmühle**: A windmill located in the upper right quadrant of the map.
- Gewässerandstreifen**: A watercourse strip located along the bottom edge of the map.
- Am Dueckeroth**: A location name on the left side of the map.
- Schmitzfeld**: A location name in the upper left quadrant.
- Gemarkung Gronau Flur 3**: The main title of the map, located on the right side.
- 0 12,5 25 50 75 100 Meter**: A scale bar at the bottom left.
- N**: A north arrow at the bottom left.

The map shows various land parcels, some of which are highlighted in orange and green. The orange areas are likely designated for specific purposes, while the green areas represent the watercourse strip. The map is overlaid with a grid and includes a scale bar (0 to 100 meters) and a north arrow.
